

Record of Decisions 9 Mar 2016 Board Meeting

1. At the 9 Mar 2016 Board Meeting, the following decisions were rendered:
 - a. Reasons for member resignations will be recorded in FFO database and tracked.
 - b. The VP Engagement will send a monthly email "news flash" to all new members and their mentors. This was deemed to be a more effective method to better engage new members, rather than relying solely on a quarterly notice in the CapCon.
 - c. The VP Engagement will work on a plan (reception for single members?) to provide a means for single members to: 1) get to know each other and 2) forge relationships 3) facilitate pairing up for travel/outbound exchanges.
 - d. Branding FFO will be improved by affixing both the FFO Logo and FFO pin to all FFO documents. This will also serve as a means to advertise that the FFO pin exists and is available for sale.
 - e. There will be consideration given to moving the date of World Friendship Day to later in the spring to a time when more members are in town and to allow more time for planning following election of the new board.
